

### ***MCBC Community Partnership***

Just as Christ is the foundation and cornerstone of the church, Mount Calvary Baptist Church has become the church on the corner to serve the community and to develop a solid community relationship. Over the past few years, we have had the pleasure to build a community partnership with the school system and organizations within the Northern Virginia and District of Columbia areas. Our community service purpose is to meet the needs of the people by setting the mark of our church motto of **RED** (**R**elationships, **E**vangelism, **D**iscipleship).
